Medico-legal experience

2018: Training in Expert Witness with Bond Solon

I have produced medico-legal reports as Expert Witness in Paediatric Gastroenterology and Nutrition in several safeguarding and medical negligence cases. I have Court experience.

Over the last 2 years:

Claimant	40%
Defendant	25%
Joint appointment	35%

Court attendances	6
-------------------	---

Memberships

Member of the European Society for Enteral and Parenteral Nutrition (ESPEN)

Member of the British Society for Parenteral and Enteral Nutrition (BAPEN)

Fellow of the Royal College of Paediatrics and Child Health, FRCPCH

Member of the British Society for Paediatric Gastroenterology, Hepatology and Nutrition (BSPGHAN)

Member of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition (ESPGHAN)

Specialist Registration in Paediatrics with the General Medical Council, UK. Registration number 6070357.

Medical Protection Society, membership number 386516

Specialist competences

- Diagnostic endoscopy: OGD and Ileo-colonoscopy, Therapeutic procedures: NJT placement, PEG/PEGJ placement, polypectomy and dilatation, foreign body retrieval
- Special interest in Intestinal Failure, Clinical Nutrition (enteral and parenteral nutrition) and complex Feeding Difficulties.
- IBD, GI food allergies and intolerances, gut dysmotility, management of GI problems in neuro-disabled children, GORD, constipation, somatic symptoms disorders of the GI tract
- Combined pH/multichannel intraluminal impedance studies analysis and interpretation
- Reviewer for peer reviewed journals
- Lectures and seminars

Employment history

- April 2010 – ongoing Consultant Paediatric Gastroenterologist,
Nutrition and Feeding Team Lead
Department of Paediatric Gastroenterology,
Cambridge University Hospitals NHS Foundation Trust,
Addenbrookes Hospital, Cambridge
- Jul 2009 – March 2010 Consultant Paediatric Gastroenterologist,
Centre for Paediatric Gastroenterology,
Sheffield Children’s NHS Foundation Trust, Sheffield
- Aug 2007 – Jun 2009 Consultant Paediatric Gastroenterologist,
Centre for Paediatric Gastroenterology, Royal Free & University
College Medical School, London
Honorary Senior Lecturer at the Institute of Child Health, UCL,
London.
- May - Aug 2007 Consultant Paediatric Gastroenterologist (Locum), Chelsea and
Westminster Hospital, London
- Oct 2005- May 2007 Clinical Academic Training Fellow (CATF) in Paediatric
Gastroenterology, Centre for Paediatric Gastroenterology,
Royal Free & University College Medical School, London
- Nov 2004 - Sep 2005 Lecturer (Locum) in Paediatric Gastroenterology, Centre
for Paediatric Gastroenterology, Royal Free & University
College Medical School, London
- Oct 2004 – Nov 2004 Honorary Junior Consultant in Paediatric
Gastroenterology, University of Florence, Meyer Children
Hospital, Florence, Italy

Post doctoral training

- Jan 2004 - Sep 2004 Registrar in Paediatric Gastroenterology, University of Florence,
Meyer Children Hospital, Florence, Italy
- Jan 2003 – Dec 2003 Registrar in Paediatric Gastroenterology, University of
Florence, Italy.
Seconded as visiting Fellow to the Centre for Paediatric
Gastroenterology, Royal Free Hospital, London

Nov 2001 – Dec 2002	Registrar in Paediatric Gastroenterology, University of Florence, Meyer Children Hospital, Florence, Italy
Nov 1999- 31 Oct 2001	Paediatric Core Training Meyer Children Hospital (regional tertiary children hospital), Florence, Italy

Teaching activities:

- Management of multi-disciplinary Paediatric Nutrition Team: we are the regional centre for Paediatric Intestinal Failure and Home Parenteral Nutrition.
- Management of multi-disciplinary Paediatric Feeding Team: weekly MDT clinics for complex feeding difficulties.
- Tutor role for junior doctors (SHO/FT and SpR)
- Endoscopy training of SpRs: using simulators and the JAG recognised teaching approach.
- Teaching sessions (lectures, practical and theoretical lessons) for doctors, medical students, nurses and dieticians.
